

Diabetes Research Center of the Hebrew University

Announcement for student and post-doctoral fellowships

Dear members of the center,

The Diabetes Research Center will provide ten 10,000NIS fellowships for graduate students or post-doctoral fellows.

Details and instructions:

1. Only one student per lab can apply.
2. Applications should include a CV and research proposal.
3. Priority will be given to members of labs who were not awarded a seed grant.
4. Deadline: July 15, 2019.
5. Submission: Please send applications to Dr. Danny Ben-Zvi, dannyb@ekmd.huji.ac.il.
